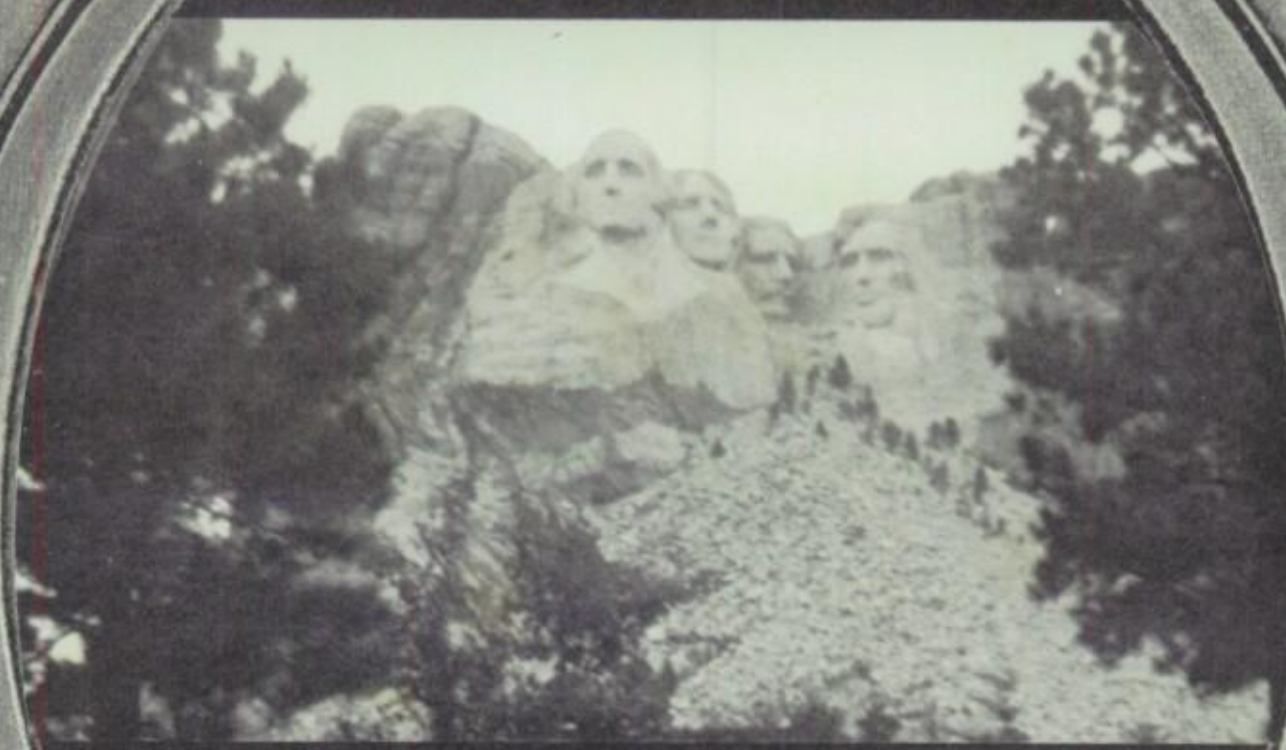
Reflections Of . . .

Art—Sara Barksdale

The mirror of life reflects the days
As sure as a mirror reflects the face.
The game of life moves on its ways–
'Tis your will and mine that sets the pace.

We see in that mirror reflections dear–
As together we shared the joys, the time,
The lessons learned, the fun, the fear,
As life rolled on to new heights sublime,

Together in memory we return again
Each to important days of yore.
Reflections of yesterday's joy and pain
Will enrich our lives forevermore.



1776–Founding Fathers–1976

Our country is celebrating its 200th birthday. (1776-1976). The Graduating Classes of 1976 will be responsible for leading this great nation of ours into its next 200 years. We the graduates are proud to be the first leaders of the third century. As we assume responsibilities, may we remember the high ideals and principles of the Founding Fathers of our nation.

Dedication

We, the Annual Staff of 1976 are proud to dedicate The Guardian this year to Mr. Harold Kottman. He has faithfully served Fairfax R.3 School as Superintendent for the past eight years.

His family consists of three daughters, Jennifer, Sara, and Kathy, and two sons, Hal and Jeff.

The Annual Staff thanks you, Mr. Kottman, for your devoted service and leadership, with the dedication of this 1976 yearbook.

Congratulations! Your Graduation represents the most significant milestone in your life to date. When I came to F.H.S., you were fourth graders in Mrs. Eula Fraser's room, now you are Seniors and ready to leave F.H.S. and achieve greater goals in life. We hope we have prepared you for this venture and your future efforts be as happy and rewarding as your many days in dear old F.H.S.

Harold W Kottman

It is the goal of most every student to graduate from high school. This is as it should be, as each of you want to pursue some avenues of life of your choosing. An effort has been made to help prepare you for this choice that you will make. I hope each of you appreciate the experiences that you have had here, and know you must be looking forward to some of the unknown challenges that you will face. It has been my pleasure to have had the opportunity to work with you seniors. I hope we all are better people because of our working together for a united goal. My best wishes go with each of you.

Melvin Gibson

This is a fast changing, fast paced United States. We need to hurry here, hurry there. We sometimes overlook this person and overlook that person. But in our hurry let's try to take time out for a little kindness to one another. This is (I hope) what life is all about.

Planning, preparing and serving nourishing meals to the entire school every day is a big job well done by the five ladies in the kitchen.

Five drivers man the regular buses transporting students each day. Two others take the Vo-Tech students to and from Maryville. Responsibility is a key word in the lives of these busy men and women.

Four men maintain the school plant and keep it running efficiently. A great deal of work goes into the cleaning, repairing, mowing, painting, etc., to keep the school in tip top shape.

School Song

We're loyal to you, Fairfax High
To the green and the white,
Fairfax High.
We'll back you to stand
You're the best in the land,
For your true loyal band, Fairfax High.
Rah! Rah!
So keep that in mind, Fairfax High
We're pledged to your shrine,
Fairfax High
Our School is our fame protector
Lead on that we may do great things
For our own high school band.

Bring out that dear old flag of green and white,
Lead on ye students for the right we fight,
Like men of thrift and courage
Placing reliance, shouting defiance,
Rah! Rah! Rah!
Amid the broad green fields that nourish our land,
For honest labor and for courage we stand,
For unto thee we pledge our hearts and hands,
Dear old Fairfax High you are so grand.

Mrs. Lenora Miles

The Pep Club had many activities that kept them quite busy. At the beginning of the year they had two bake sales and sold mums to raise money for the F.B. Homecoming. Also during the F.B. season, they sponsored two sock-hops.

Cheerleaders

In June of 1975 six cheerleaders went to the annual cheerleading clinic at Maryville for five days and four nights. Besides having a lot of fun, they worked hard to earn four ribbons - excellent and one ribbon - outstanding. At this clinic they learned new chants and cheers, they were taught to the Pep Club at a meeting before the school year started. Besides cheering the teams on to victory during the year, the cheerleaders presented two pom pon routines, one for Football Homecoming and one for Basketball Homecoming.

The center of attraction was the fascinating waterfall, lighted with black light and set off by the glitter of large silver stars hanging from the ceiling. Other features were: a wishing well, sweetheart trees, and a huge golden crescent moon. A spectacular supper was served by the "49ers." Boys' Varsity

The Bulldogs started the season with only three returning lettermen. Although the teams 5-14 record wasn't that impressive, the players played hard and were never out of the game until the end. With only two Seniors on the team, the younger players gained much experience for the coming years. Mark Fisher, received first team All-Conf. Congratulations to Coach Smith for his hard work this season.

"B" Team

Girls Varsity

The Bulldogs began their season in October with hard practices to prepare for the coming games. They began play in November and ended in February with a winning record of 12-9. They also had a winning conference record of 5-3. With only two seniors on the team, the younger players gained much experience for use in later years. Congratulations to Coach Williamson and the team on a fine season.

FHS Track—Season Review

The girls' and boys' track teams, coached by Mick Ross, really showed their Bulldog Spirit this year. Practices started the middle of March and were held under various conditions until the seasons end on May 8th. Unlike past years, the twelve boys and eleven girls put forth much effort during the daily practices. But this paid off in the end, as Fairfax always placed in the top spots at the meets. Several records were broken too! These accomplishments will be posted on the track board in the gym.

Our first two meets were April 9th and 10th. The boys went to Rockport, where 25 teams from three states competed in the Blue Jay Relays. At Tarkio, 16 girls' teams gained experience. The results of the season were as follows: Peru, Neb.: 42 teams from 3 states. Rocket Relays, W.N.: 13 teams. Gail Strough missed the girls' Outstanding Athlete Award by $\frac{1}{4}$ pt. and helped earn the team 3rd place. Conf., R.P.: 6th-boys, 3rd-girls. Bethany Relays: 16 boys teams, girls-2nd out of 12 teams. Four teams competed at a meet in Rockport—Fairfax, R.P., Craig, and Hopkins. The outcome of the rivalry was 2nd place-boys and 1st place-girls. District Meet: 17 teams, boys-10th at Maryville, girls-3rd at Tarkio, N.E.N. 71 pts., Jefferson 69 pts., Fairfax 63 pts., and Tarkio 62 pts. State: boys at Liberty, girls at Lebanon, more tracksters attended than before; they are pictured at the top of the next page.

Track is a highly competitive, fun-filled sport! There is a close team spirit, but it's the individual effort that makes the team. We would sincerely like to thank Mr. Ross, who made a girls' team possible three years ago. His coaching abilities were sometimes above and beyond the call of duty, and he will be greatly missed.

Fairfax High School, Fairfax, Mo.

Fifty Years of Fairfax Schools

In 1896 Fairfax residents were enthusiastic about building a school to replace a four-room building too small for pupils and five teachers. In 1925 this building was razed to make room for the original portion of the present high school, which was opened for use in 1926–fifty years ago. Born also fifty years ago was the yearbook which was then called "Fairy Facts." Pat McDonald was the Editor-in-Chief. Later the name was changed to "The Bulldog." These two names were interchanged several times through the years until the staff in 1959 with Barbara Watkins as the Editor-in-Chief, decided that too many other schools used the name of Bulldog, and a permanent name should be selected. After much deliberation they chose "The Guardian" since the bulldog is the guardian of the school and the school spirit.

The yearbook was first published every two years. During the Depression years and the years of World War II and following it, there is no record of one being published. Revival of the yearbook came in 1951 with Georgia Harmes as Editor-in-Chief. Since 1959 "The Guardian" has been published each year.

The school plant has grown to include an Agriculture building, built in 1940; the Bridge, erected in 1948; the Home Economics building in 1954; the Gymnasium and Elementary buildings in 1956; the Music room 1962; and the Cafeteria in 1966. The entire plant houses a world of varied academic and extra-curricular activities.

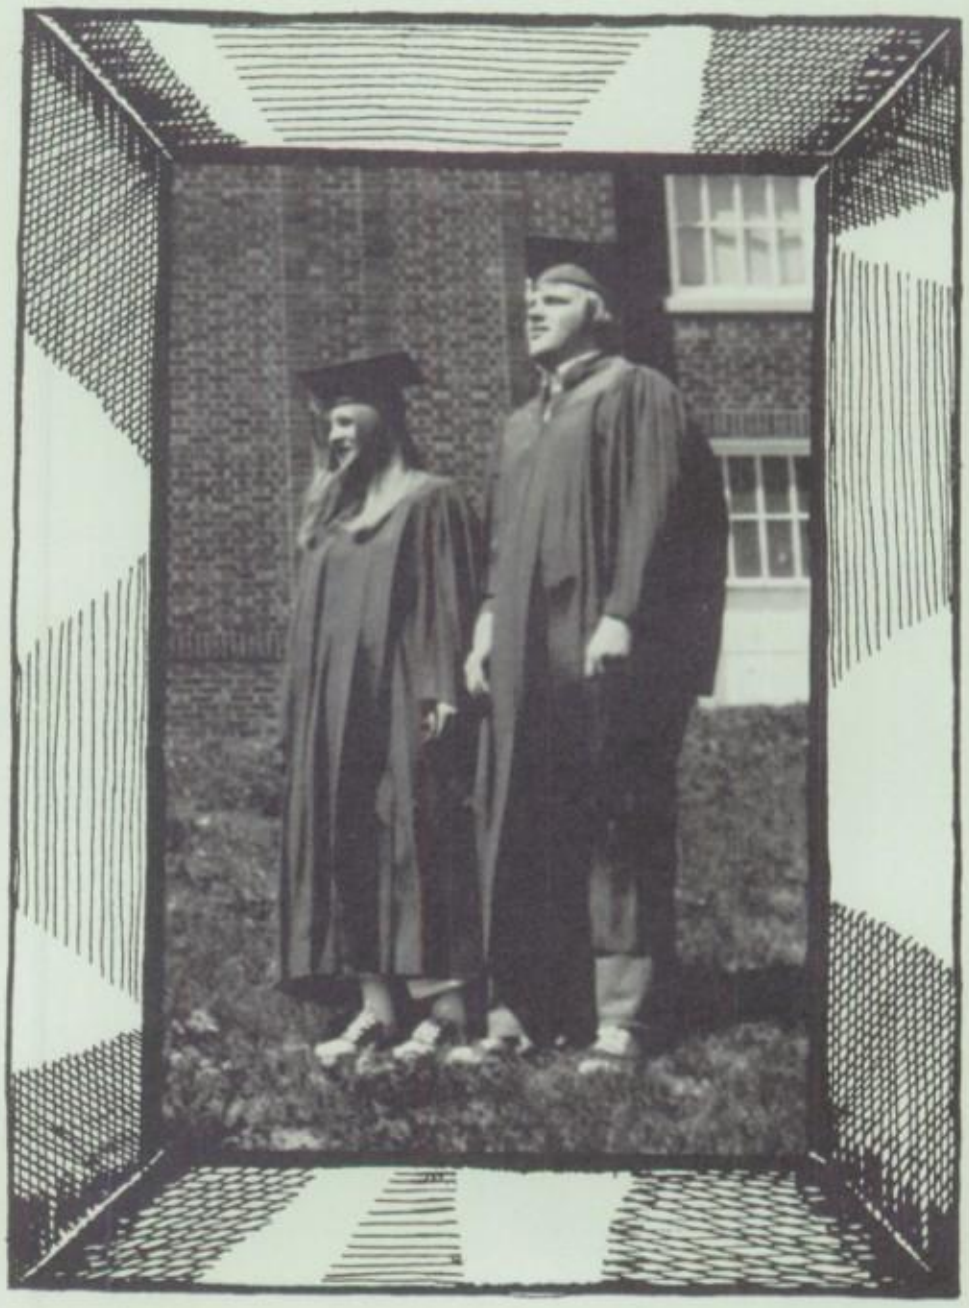
Reflections Of . . .



Seniors of "76"

Mirror Mirror
May we see so clear
The times that we cherished
In our Senior year.

Senior Class of 1976

There are loyal hearts, there are spirits brave,
There are souls that are pure and true,
Then give to the world the best that you have,
And the best will come back to you.

Give truth and truth will be paid in kind,
And honor will honor meet;
A smile that is sweet will surely find
A smile that is just as sweet.

Give love and love to your life will flow,
A strength in your utmost need.
Have faith and a score of hearts will show
Their faith in your word and deed.

For life is the mirror of king and slave,
'Tis just what we are and do;
Then give to the world the best that you have-
And the best will come back to you.

Breakfast . . .

On Friday, May 21, the Seniors were entertained at a breakfast by the women of the Christian Church. The Seniors, their sponsor Mr. Williamson, and Mr. Kottman enjoyed a fine meal of doughnuts, milk, and fruit cups. An interesting program was given by a number of 1975 graduates. They each spoke of the college or school they had been attending and their views on what college meant to them. After the breakfast, the Seniors attended the Awards Assembly.

Reflections of . . .the Past

On August 27, 1963, 22 members of the kindergarten class began their first year of school. They were Mark Adams, Donnie Calfee, Erin Clough, Kim Daily, Carna Edwards, Kirby Gilson, Rosalie Graves, Ricky Hansen, Mike Harrington, Rhonda Johnson, Douglas Miller, Terry Miller, Debra Moses, Michael Seymour, Tonya Shineman, Brenda Simmons, David Sly, Donald Smith, Gregg Smith, Mark Smith, Melody Smith, (The Smith's had it) and Beri Wennihan. Our biggest surprise this year was getting new seats on the swings. During the year we gained and lost Debra Massie, Douglas Miller, Michael Seymour, Donald Smith and lost Erin Clough.

During the first grade Martin Barger, Cindy Crawford, Ronnie Gaddy, Gary Hargus, Leona Lea James, Randy Lee James, Marvin Jones, Berry Kirkpatrick, Gene Kirkpatrick, Edward Gordon Long, Deborah Moore, Sandy Smith, Russell Wayne Stark, and Donald Tallant came to be with us. We had reading groups–Red, Yellow, and Blue and also learned our ABC's. Mark Adams, Martin Barger, Ronnie Gaddy, Leona Lea James, Randy Lee James, Gene Kirkpatrick and Melody Smith departed from our group.

In the second grade Glen Arnold, Roger Gilmore, Mary Hale, David Linthicum and Dora Jean O'Riley joined our ranks. We learned how to tell time and to count. We lost Cindy Crawford, Carna Edwards, Roger Gilmore, Kirby Gilson, Marvin Jones, Berry Kirkpatrick, David Linthicum, Edward Gordon Long, Dora Jean O'Riley and Russell Stark.

In the third grade we welcomed Mark Adams, Richard Counts, Ricky Counts, Sheila Grimm, Gayle Hopkins, Raymond Jenkins, Herbert Marvel, Ricky Peters, Gary Taylor and Joy Wilson. We were fascinated one day when Beri Wennihan carried her pony into the room. We learned how to write cursive script, now we were really grownup. We said goodbye to Richard and Ricky Counts, Gayle Hopkins, Raymond Jenkins and Ricky Peters. We also gained Eddie Dearmont.

In our fourth year Becky Deatz, David Linthicum and Ricky Potters came to be with us. We moved across the hall. After a hard rain, a favorite pastime was collecting earthworms, and hiding them from upperclassmen, when recess was over. We lost David Linthicum, Herbert Marvel and Ricky Potters.

As fifth graders we gained Sara Kottman and Barbara Tillery and lost Donnie Tallant. This year our recess game was Dare Base. We also began playing band instruments and having P.E.

In the sixth grade Roxann Barnett, Bobbie and Bonnie Darling, and Debbie Gigliotti joined our crew. This year Debbie Gigliotti shocked us by

standing when answering a question, we thought this was far out. We lost Barbara Tillery.

As seventh graders we gained Sean Cosand, Wesley George, Daniel Graenser, Janice Hewitt, and Larry Olsen. The funniest thing that happened was the time when Brenda Simmons, Sara Hottman and Mark Smith got a spanking in History for talking and Becky Deatz for chewing gum in English. Wesley George, Daniel Graenser, Janice Hewitt and Larry Olsen left us.

As eighth graders we had new class members David Boston, Pat Mathis, Christine Smith and Lance Thomas. We all began to feel grown-up when we graduated out of Junior High but this didn't last. We lost Bobbie and Bonnie Darling, David Boston, Sean Cosand, Pat Mathis, Christine Smith and Lance Thomas.

We thought we were really on the top when we became freshmen, but we were only underclassmen we soon discovered, low men on the totem pole again. This year the F.H.A. provided a pie-eating contest and the cream covered winner was David Sly. Gary Taylor scored the first touchdown of the season to start the Bulldogs rolling down the road to State. Roxann Barnett, and Sheila Grimm departed from our ranks.

During our Sophomore year we got our class keys, drivers' licenses, and had various accidents. Gregg Smith and David Sly helped the Bulldogs go to the Basketball State Quarterfinals at Lexington. Debbie Gigliotti attended Freedom Forum.

In our Junior year we became the first class in F.H.S. history to have two class rings, the first class rings started to come apart, and they bent easily. While working on our play, "The Inner Willy," we discovered that deep down inside Mark Smith is really Eddie Dearmont. This year we had fun sponsoring the Junior-Senior Prom, with the theme of "Rendezvous of the Stars," running the concession stand during the basketball games, and cheering on Sara Kottman who started on the girls' basketball team that won our regional. Debbie Moore attended Girls' State, Eddie Dearmont attended Boys' State and Rosalie Graves attended Freedom Forum. We lost Sandy Smith and Tonya Shineman and gained and lost Rende Barnett.

As Seniors we have achieved many goals but one remains-Graduation Day. We participated in the first all school play, "The Many Loves of Dobie Gillis." The football king and queen were Gary Taylor and Debra Moses; basketball king and queen were Gregg Smith and Sara Kottman; F.H.A. Favorite Fellow and F.F.A. Chapter Sweetheart-Mike Harrington and Sara Kottman. This year the senior class won the Christmas volleyball tournament by defeating the Student Council, 15-8 and thus broke the string of faculty championships. We are working hard on the 1976 yearbook. All of us are eagerly awaiting the Junior-Senior Prom, the Senior trip to Colorado, the Alumni Initiation and Banquet, and of course, Graduation Day, May 16, 1976.

Through hard work, and even harder play, the Senior Class of 1976 has achieved many goals establishing a strong foundation for the future. "The heritage of the past is the seed that brings forth the harvest of the future."

Senior Trip

After nine months of planning, working, hoping and anticipating, twenty-two members of the senior class and their sponsors finally left on their once-in-a-lifetime senior trip. At 8:00 p.m. May 10, 1976, we boarded our chartered Continental Trailways silver eagle and headed for Colorado across southern Nebraska.

About 8:00 a.m. Tuesday we arrived in Colorado Springs and moved on to our first stop, the Cog Wheel Railway up Pike's Peak. We left Glen, David, Brenda, Debbie G. and Debra on top with seven feet of snow. Later we rode the incline railway up Mt. Manitou and met a lively group of very friendly, and very hungry chipmunks. That evening we became acquainted with our motel, the Four Seasons Motor Inn, and tried out its restaurant, indoor pool, saunas and room service, among other "extras."

On Wednesday morning we visited the Air Force Academy. After touring the beautiful chapel, we applauded as the cadets marched around the central square as part of their "noon muster" drill. Later the girls toured the historic Buffalo Bill Wax Museum while the boys tried their luck at panning gold. Just as in a fisherman's stories the number of David's gold flakes grew from six to. . .Who knows?! Wednesday afternoon we spent at the Cheyenne Mountain Zoo feeding the bears and giraffes and communicating with the chimpanzees and baboons. Porky managed to get into a throwing contest with a lowland gorilla. The gorilla was definitely the winner.

Early Thursday we traveled sixty miles to Canon City and Royal Gorge. Once there we rode in an incline car to the canyon floor, walked across the canyon on a suspension bridge, then rode across it on a tram car suspended from one cable high above the Arkansas River. While there we watched Brenda dig up cactuses, Debra attempt to go over the edge and Arnie's sunglasses make it (over the edge). That afternoon we journeyed over the backroads to Cripple Creek, an old mining camp. Although most of the stores were not open, Debbie G. and Rosalie still managed to buy out the ones that were. Back in Colorado Springs those of us who still had

money went shopping at the Citadel, a large shopping center, then everyone ate at the Bonanza steak house.

Friday morning we were again up early, and on the road for Fairfax by 9:30. We parted from our new friend, bus driver Tom Gillespie, at McCook, Nebraska, and arrived home at 10:00 that evening.

This brief summary cannot begin to deal with everything that happened during our stay in Colorado, nor should it. These memories we must keep for ourselves from the Senior Trip of 1976.

We rarely lost sight of Pike's Peak.

Brenda's "prickly" situation.

"Now hear this! This is your leader!"

A rare "quiet time" on the bus.

"Anybody want to argue?"

"Why are we doing this?"

"I'm getting richer, I can feel it!"

Finger-lickin' good!

Graduation Day 1976

"This will be our last song together"

Rev. Clyde Hendricks
Speaker

Our graduation day, Sunday, May 16, was a day we never believed would actually dawn and one which passed all too quickly. As we stood on the stage, we learned a lesson that all those who have gone before us know only too well, that Time passes and no one has power over it. We could not reach out and hold the hands of the clock and declare, "Here we will suspend Time and remain seniors forever!" No, Time marches on, frustrating our attempts to stay as we are, demanding that we grow up and old.

Many of us cried at the realization that truly "this will be our last song together." Soon enough we will be engulfed by the real world-children to raise, bills to pay, gray hairs to count-but we will never forget Graduation Day, 1976.

Alumni Banquet

Saturday through Friday, May 15-21, was the annual senior "agony" week, the week during which we were initiated into the Fairfax Alumni Association. This year's "agony" came tied up in red, white and blue ribbons and alive with the Bicentennial spirit.

For the week we each dressed as a "revolutionary" character: Terry Mil-Miller (with drum), Debbie Moore (with flute) and Brenda Simmons (with flag) as the Spirits of '76; Debbie Gigliotti, Rhonda Johnson and Debra Moses as minutemen (with rifles); Glen Arnold as Ben Franklin (with kite); Donnie Calfee as Patrick Henry (with law book); Ed Dearmont as Benedict Arnold (with red coat); Rosalie Graves as Betsey Ross (with sewing basket); David Sly as Paul Revere (with horse-stick variety); Gregg Smith as George Washington (with sword); and Beri Wennihan as Martha Washington (with cherry branch).

For Friday's banquet several of us had to do a quick change: Donnie emceed "A Bicentennial Review" as Ted Baxter, the "anchor" man; Ed became first King George III who stamped us with taxes by taxing our stamps and later became Nathan Hale, who was promptly shot; Debbie G. became Thomas Jefferson, author of the Declaration of Independence, the Constitution and "History Rock"; and Rhonda became Kate Smith who led the assemblage in "God Bless America."

Monday was the annual senior street sweep in which thirteen seniors swept and scooped the streets of Fairfax. All during the week we had to sign in at several downtown stores

Mr. Pyeatt's Ag. shop training sure is paying off.

twice a day, at all times ready to render our version of "Yankee Doodle" to anyone who would shout "Hey start a revolution!" By Friday we thought we had been through just about the worst that the initiation committee could devise, but we were wrong. The worst, we discovered, came on Friday night. Not the waiting on tables or even the initiation stunts, but the waiting to be called to the stage to be be initiated, was really the worst part of initiation. We discovered that our imaginations were our own worst enemies.

We thirteen '76'ers acknowledge that the initiation and banquet are fun after having been through them, and we are really going to enjoy the senior "agony" week next year in 1977!

Reflections of . . .

Dear Fairfax
Fair you are to us
Who cherish all
Your days and hours so dear.
Within these halls
We play the game of life
And grow in knowledge
With each passing year.

Dear Fairfax
We are so proud of you.
We're proud
You've shaped our lives
In ways of truth and right.
In years to come
As we recall this time--these days
May our dear memories be forever bright.

Through this yearbook, we leave behind to those who are still in these halls, a reflection of ourselves and life as we saw it. We cross the bridge into life confident in the knowledge gained in these halls, and with hope that your memories of us are as everlasting as the memories we take with us of you.
